EXPERIENCE

GHIS Inc, Laguna Hills CA – *Operations Manager & Assistant to CEO*

2018 – PRESENT

- Oversee all operational and administrative business processes
- Manage quality control for all business correspondence and reports, preventing critical errors and maintaining company reputation
- Oversee all operational and administrative business processes
- Coordinate scheduling for internal and external meetings, conference calls, and day to day executive obligations
- Organize and oversee all documents for transactions

Crockett & Crockett, Aliso Viejo CA – *Patent Illustrator*

2012 – 2019

- Responsible for creating technical drawings of clients' patentable inventions, accurately and within a timely manner
- Tasked with clearly conveying different textures (glass, sand, etc.) within USPTO guidelines (black and white line drawings)
- Created series of drawings with varying angles/exploded views of one object
- Adjusted and updated older drawings as needed to reflect the changes made to the invention
- In some cases, tasked with designing the object being patented from scratch with a verbal description, as the item may not have been built yet
- Work done in ink pen, Adobe Illustrator, and Photoshop

Comic Quest, Lake Forest CA – Sales Associate

2015 – 2016

- Checked in orders, helped customers find items, and cashiered
- Provided extensive comic book knowledge, including familiarity with writers, artists, and back issues
